STATEMENT OF OBJECTS AND REASONS

The Bill seeks to amend the Salaries and Allowances of Members of Parliament Act, 1954, with a view to entitling the Members of Parliament to receive such water, electricity, constituency and secretarial facilities, of such amount in cash in lieu thereof, and also such amount in cash in lieu of housing and postal facilities, as may be specified by the rules, so as to enable them to discharge their duties more efficiently as representatives of the people.

The above amendment is mainly based on the recommendations made by the Joint Committee on Salaries and Allowances of Members of Parliament.

NEW DELHI;
The 5th August, 1975.

K. RAGHU RAMAIAH.

FINANCIAL MEMORANDUM

Clause 2 of the Bill seeks to amend section 8 of the Salaries and Allowances of Members of Parliament Act, 1954, so as to entitle Members of Parliament to water, electricity, constituency and secretarial facilities, or such amount in cash in lieu thereof, and also such amount in cash in lieu of housing and postal facilities, as may be specified by the rules. It is estimated that the financial effect on account of these facilities in a full year is likely to be of the order of Rs. 42,60,000.

There will be no non-recurring expenditure.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Section 8 of the Act entitles a Member of Parliament to receive such medical facilities for himself and for members of his family and to such housing, telephone and postal facilities as may be provided in the rules made under section 9. Clause 2 of the Bill seeks to amend section 8 with a view to entitling a Member of Parliament also to receive such water, electricity, constituency and secretarial facilities or such amount in cash in lieu of all or any of such facilities as may be provided by rules made under section 9.

Clause 3 of the Bill seeks to substitute clause (*f*) of sub-section (*3*) of section 9 with a view to providing that rules may also be made with regard to the matters mentioned in section 8 as proposed to be amended by clause 2 of the Bill.

The matters with regard to which rules may be made are matters of detail which can hardly be provided for in the Bill itself. The delegation of legislative power is, therefore, of a normal character.
